A spacious rustic property is offered for sale in Torremendo, within the municipality of Orihuela (Alicante), in a peaceful natural setting in the Vega Baja region. An excellent opportunity for those looking for a large plot of land suitable for rural or agricultural uses, or other activities permitted under current regulations. The property stands out for its considerable size, natural surroundings and peaceful location, offering extensive space for various uses associated with the rural environment. The land comes with cadastral documentation and a technical land subdivision project dated November 2024, proposing the division of the property into two separate plots.
