Large Detached Villa â€“ Renovated to a High Standard An impressive detached villa, renovated to a high standard, offering generous living space across three levels, modern comforts and spectacular panoramic views. The property features 6 spacious bedrooms and 3 bathrooms, alongside a bright open-plan living and dining area with a modern fitted kitchen. Powered by solar energy, the villa benefits from central heating, underfloor heating in the bathrooms and a heated swimming pool. Outside, generous south-facing terraces surround the swimming pool and garden areas, enjoying stunning views across the surrounding natural parks and mountains. There is also a fully enclosed spa facility on the pool terrace. ...(Ask for More Details!)
