Modern and carefully renovated apartment in an exceptional location in Torrevieja, directly facing Parque Doña Sinforsosa and on the front line of Playa de la Acequión. This property represents a rare combination of green surroundings, immediate proximity to the sea, and effortless access to all everyday services. The location offers a balanced living environment where tranquility and excellent connectivity meet. Open views towards the park create a sense of space and harmony, while the presence of the sea just steps away enhances the unique character of the property. The apartment has been fully renovated with a modern architectural approach and timeless materials. Every detail has been...(Ask for More Details!)
