Large 5 bed 2 bath detached Country Villa with pool, private natural well, central heating, separate living accommodation and large plot located only 4,5 km. to Yecla. Entering the property through automatic gates leads you into this fantastic garden offering lots of space including swimming pool with established gardens and a large plot of 24.000m² with mature olive trees and several fruit trees. This large villa is bright and airy and has a lounge dining room with stove and hot and cold air conditioning. In the front you will find two well sized double bedrooms. Following through the left is the kitchen with pantry, the family bathroom and other 3 spacious double bedrooms. The property has another secondary Lounge/diner with feature fireplace for cosy winter evenings that is settled in a independent area with...
