Located a few meters from Valentino golf, it has 146 apartments with 2 bedrooms and two bathrooms, approximately 72 square meters distributed in a similar way to the previous promotion, but with a larger terrace. In addition, all homes are oriented to the south, so all have plenty of sun all year. Like the previous promotion, the ground floors have a private garden, but the great novelty is that only the upper floors have a solarium with direct access from the house. Regarding common areas, we will have two swimming pools and large gardens and playground.
