This is a fantastic opportunity to own a country home in Spain. Ideally located between Rojales and Guardamar, the property is set on 12,000sqm of land, has its own private swimming pool with large terraces and barbeque area, 4 bedrooms (2 en-suite), 3 bathrooms, utility room, garage, large kitchen and a very spacious open plan living-dining room. The villa is in excellent condition, and offers a lot of potential, either as a home, holiday retreat or even as a guesthouse. This home comes with air-conditioning throughout, electric gates and is on mains water and electricity. We highly recommend a viewing on this superb property, if you are looking for a nice home, in a tranquil area and not far from all essential amenities.
