We are pleased to present this fantastic, currently in development, 4 bedroom 4 bathroom new build villa located within walking distance to the town center of Ciudad Quesada. The property benefits of a large living / kitchen area with direct access to a utility / washing room. Going through the hallway, you will find the bedrooms, which all will have on suite bathrooms and walk in closets in each bedroom. The property benefits of private parking space, a private swimming pool, garden and a large solarium which benefits of fantastic views. There is also the option of having a garage built on the plot aswell, at an additional cost of 25.000 Euros.
