Villa in Salinas town on an urban plot of 582m². Villa in Salinas town on an urban plot of 582m² This villa on the edge of Salinas enjoys all the benefits of being walking distance to the town with a quiet location. The villa is entered via double gates where there is off street parking for several cars which is all paved with planted borders around. The villa has a large wrap around terrace to two sides of the house, just a couple of steps up onto the veranda gives shade in the summer months and morning sun in the winter time. The property is entered via a hallway with double doors off to the living room with an air conditioning unit and storage heater, plus windows to two sides, a second set of double doors leads from the living room into the large kitchen with a separate pantry/ storage room. Another door leads o...
