We are pleased to offer for sale this fabulous detached villa. Sitting in a gated community on a 300m² corner plot the property offers 225m² of living space. The East facing villa is located in Los Altos on the outskirts of the Orihuela Costa. The owners have kept their home in pristine condition and offers any buyer a turn key opportunity for a holiday home or one for permanent living. Once inside the gated community the plot is accessed from either a personnel gate or double vehicle gates where there is private off road parking. Step lead to the front terrace with a vestibule constructed from glass curtains. Entering the villa you are greeted by a light, bright lounge area with feature archway to the dining area. In the original design of the property the dining area would have been a double ground floor bedroom ...
