Nice 2 Bedroom Townhouse in Los Montesinos. Lovely Classic townhouse with country location, situated on the outskirts of Los Montesinos, within walking distance to the town and all local amenities. This is the ideal property for someone who would like to be out in the country, but also have all services available without the need to drive. This lovely and bright house is built all on one level, and has 2 double bedrooms, one full bathroom with walk in shower, ample kitchen, a large utility/washing room, lounge and dining room, and back courtyard off the kitchen. It is an end of row townhouse, so feels like a semi-detached; and there is plenty of room to park right outside. The plot it's on is around 190 m², with the house being 94 m². The whole house has been very well maintained and modernised. As you can see ...
