Lovely 2 Bedroom Penthouse + Solarium in Mirador De Villamartin. Come and discover this gem on the Costa Blanca with us, because of its elevated position you can enjoy beautiful panoramic views from the terrace and solarium and you can even see the sea! Very centrally located and with a rental license, this property is an excellent investment. On the third floor of the Mirador de Villamartin Phase III, with a view over the garden and swimming pool, this apartment faces south, making it feel very bright. This project benefits from numbered parking spaces and is closed with automated gates for easy entry. Each block has a communal elevator and stairwell. When entering the apartment you immediately notice the spacious feeling! On the left is a functional storage room where the washing machine and boiler are also located...
