We present this very well kept detached villa in the centre of Ciudad Quesada. It has a swimming pool and a large garden with kitchen and outside toilet. The house consists of 3 bedrooms, one en-suite, a complete family bathroom, a generous lounge dining room and an open plan kitchen with breakfast bar. In the lounge/dining room there is a fireplace and an air conditioning unit. The whole house is equipped with oil central heating. The glazed terrace is very spacious and has been divided in two parts to be able to enjoy both in winter and in summer. On the sides of the house there are several storage areas and central heating machinery and its oil tank. The swimming pool is located in front of the house in a completely tiled area where it receives the sun's rays all day long. Very close to the pool there is a cove...
