3 Bed Villa with land in Petrer. We offer for sale, this partially reformed house (in 2020, the house has new wiring, plumbing and flooring) in the area of Petrer. Boasting 3 bedrooms and a large bathroom with modern shower, and a double sized lounge with open fire, and an air conditioning unit installed. There is pre-installation for a central air system in the house, should the new owner wish to install the machine needed. From the outside, you are greeted with a good sized area (around 1,500m²) which has the house and garage. The garage has an office/BBQ to the rear, and the main area is around 25m². A short staircase leads to the open veranda with views across the valley, and the main door to enter the house. This leads into the main lounge/dining area, which has been extended, and is therefore larger than ...
