Now we have the honour to present to you, the magnificent Finca Alegria. Here you have a unique accommodation built with stunning architecture and design. The finca is stylish and filled with character where every detail is worked out to the utmost. You are welcomed by a long driveway surrounded by beautiful nature that will leave you speechless. On the large yard of a whopping 7.525sqm you have several buildings, you have a large and spacious garage with upper floor. Here you have endless possibilities, who knows, it might be your new rehearsal space for your band, or a painting studio, or even a stable for horses... as I said, the possibilities are endless. Further into the magnificent house you are greeted by an eye-catching wall painted in Venetian technique. Once inside the house you have 4 l...
