For those looking for peace and at the same time proximity to the city center, we proudly present a terraced house - the optimal solution for those who want peace without disturbances. Located in a gated community of 16 townhouses, its corner location ensures neighbors are only on one side. The property has its own parking space and a shared pool with green area. The total area is 124 m², of which 70 m² is the terraced house and 54 m² terrace. Oriented to the south. Completely renovated in a modern style in 2023. Two bedrooms, two bathrooms, kitchen and living room, as well as an upstairs terrace overlooking the pool and a downstairs terrace with grass and green areas. Aluminum windows and air conditioning in all rooms. Private parking space included. The urbanization also has a new pool for the residents...
