3 Bedroom Villa with Private Pool. We are proud to bring to the market this detached 3 bedroom villa in one of the most sought after areas on the urbanisation. The villa is south facing and has a delightful private swimming pool which is surrounded by paved terraces for sunbathing. The garden is also well stocked with mature plants and shrubs. On leaving the garden and entering the villa, you are presented with a lovely summer room. This is perfect for taking a break from the sun but in the winter offers a great place to relax. Inside the house is a very well-proportioned living room with dining area. This room has a log burner which is all you need for the winter. To the side of this room is a door leading to a small hallway and 3 double bedrooms. The master has an ensuite bathroom with a full sized bath and shower...
