Spacious Villa 100m from the sea, 5 bed 4 bathroom. What a pearl! Built with quality materials, this spacious villa with 5 bedrooms and 4 bathrooms, just 100 meters from the sea, exudes class and refinement. This home is also possible to purchase with the RENT-TO-BUY formula. Inquire about the conditions. When you enter the domain, you will notice that a timeless, classy architectural style has been chosen here. At the same time, every comfort, user- and maintenance-friendliness has also been taken into account. Spacious covered terraces overlook the equally spacious swimming pool with a real children's pool area, next to which there is also a beautiful barbecue - outdoor kitchen and a practical outdoor shower. From the front terrace, on one side you have a sliding window that provides access to the spacious kitchen...
