Indulge in luxury living with this 5-bedroom, 4-bathroom villa in Ciudad Quesada, a masterpiece constructed in 2004. Spanning 220 square meters on a generous 500-square-meter plot. This south-facing villa is a sanctuary of sophistication, offering breathtaking pool views, a private pool for your exclusive use, and the convenience of three private parking spaces. The meticulously designed interior includes two kitchens, four built-in wardrobes, and four exquisite bathrooms, with an ensuite for added luxury. The property has 20 solar panels fitted providing any owner with a potential saving of 3000 euros per year. Situated just 10 minutes from the beach, 30 minutes from the airport, and a 5-minute drive to amenities and a golf course, this villa seamlessly blends convenience with elegance. The underbuild and separate...
