Welcome to this magnificent villa located in the heart of the La Marina urbanization, close to San Fulgencio and Guardamar. This luxurious residence, built in 2016, stands majestically on a 500-square-meter plot, where elegance and sophistication blend harmoniously with lush green spaces evoking a tropical style and a sparkling 10-meter-long pool. From the moment you cross the threshold of this exceptional villa, you are immediately enveloped by natural light and tasteful decoration that adorns every corner of the space. Every detail has been carefully orchestrated by a renowned interior designer from the region, resulting in an atmosphere of refinement. Every detail has been thought out to make you feel comfortable from your first steps in this luxurious property. The kitchen, spacious and bathe...
