3 Bedroom 4 Bathroom Country Home. A delightful country house in Campo De Mirra consisting of 3 double bedrooms, each with en-suit bathroom. There is also an additional family bathroom. The property has a large summer room/conservatory, living room with dining area and a modern kitchen. Outside is a private swimming pool, plenty of terraced areas, various outhouses and storage sheds. The property is accessed via a tarmac road and is very close to the local town. This property is in need of a little bit of tidying up but the potential to make this house a stunning home is all there. This property has so much to offer and viewing is highly recommended.
