ADDING to their already-stunning array of quality front-line villas, our partner developer has introduced a new model of eco-villa that can be built on sprawling front-line plots. These spacious low-profile homes take their air from the surrounding landscape, they become at one with nature through their terraces and expansive vistas. Water and light, essential elements of life, flow through these homes, and their inhabitants are always at one with them. THE LOCATION Altaona Golf Clubhouse – 5 min Murcia Airport - 14 min New Sierra Golf Resort - 16 min Murcia Retail Park (IKEA etc) – 25 min Playa de Palo, Los Alcázares (nearest beach) – 25 min La Manga Golf Resort - 35 min Alicante Airport – 59 min The amazing Altaona Golf Course THE VILLA The clever developer has applied the principles of Feng Shui to create a positive ene...
