Amazing new home with voluminous double-height lounge, 3 beds private pool. It is often said that the quality of a home is largely down to "Location, location, location" ... this perfect villa ticks all three boxes! Nestled on the edge of Formentera del Segura, this smart new home (the last remaining on a 4-villa development) will enjoy immediate access to arguably the friendliest village on Costa Blanca. Fiestas, tapas trails, foam parties and celebrations of all kind happen regularly in this fun-filled village. Formentera has all the essentials: a supermarket, two banks with ATMs, plenty of bars and a gorgeous village square that forms the centre of nearly all municipal events.
