Building plot on the second line of Playa del Cura – Unique opportunity in the heart of Torrevieja~~We exclusively present this magnificent building plot located in one of the most desirable areas of Torrevieja, just steps from Playa del Cura, one of the most well-known and busiest beaches in the city. This is an exceptional opportunity for both developers and investors looking to develop a large-scale project in the heart of the city center.~~The plot measures approximately 15 meters deep by 16.80 meters wide, offering a perfect surface area to optimize the construction of a modern and functional building. Its greatest added value is that it occupies the corner of three key streets, ensuring unbeatable visibility and light, as well as facilitating multiple access points.~~The land is designated as buildable up to...
