A simply FANTASTIC opportunity to purchase a luxurious top-spec contemporary detached villa in one of Costa Blanca's most beautiful areas - in the shadow of El Leon Dormido (the "sleeping lion") El Leon Dormido. These 2025 homes are positioned in the historical town of Polop, 3-bed villas with stylish infinity pool, basement and all mod cons. Some have views across the luscious countryside towards the Mediterranean. Despite the quiet almost rural location, you are within 20 minutes of beaches, two golf courses, two ancient castles, an amazing waterfall and Spain's 'jewel in the crown', Guadalest. THE LOCATION
