DESIGN BUILD your own off-grid rural detached villa on one of two HUGE plots in Spain's amazing countryside. This is a unique opportunity to invest in a complete, all-inclusive package designed to attract buyers looking for a sustainable and affordable way to start their new life under the Spanish sun. The offer includes the amazing Villa Riviera model, one of two carefully-selected different-sized plots, and high-efficiency solar panels, making it an energy self-sufficient, eco-friendly home. This unique opportunity is available at a fixed price, with no surprises, everything is included. This offer is available exclusively for two 'parcels' near the beautiful town of Jumilla, a serene inland location known for its natural surroundings, wine culture, and excellent connectivity to nearby cities. LOCATION: The two plots ...
