Spacious first-floor apartment with balcony, fireplace and 4 bedrooms~~Large apartment for sale located on the first floor of a building without lift. A property with very generous spaces and a practical layout, ideal for those looking for comfort and plenty of room.~~The property features a very spacious living room with a fireplace, creating a warm and cosy atmosphere. It also has ducted air conditioning throughout the entire home.~~The kitchen is independent, fully equipped and fitted with high-quality wooden cabinetry. From the laundry area there is access to an interior patio with a bbq area, and the property also benefits from a second separate interior patio, providing additional ventilation and functionality.~~The sleeping area consists of 4 bedrooms. Three of them have built-in custom wardrobes, while the...
