Your Private Mediterranean Oasis: 13,062 m² of Potential and Peace  We are delighted to present this beautiful rustic plot, perfectly positioned for those who value nature, views, and ease of access. Spanning over 13,000 m², this property offers the ideal size for a private estate in a serene setting.  The Location: Elevated and Accessible The plot is situated in a slightly elevated position, granting unobstructed views of the surrounding countryside and the distant mountains. Unlike many rural plots, this property boasts fully paved asphalt access right to the boundary, ensuring a smooth drive in any vehicle.  Nature and Resources The land is currently home to a well-maintained grove of almond trees, which transform the estate into a sea of white and pink blossoms during th...
