Tucked away in the hills of Salinas (Alicante), this property offers a rare chance to own a piece of traditional Spanish architecture. Set on a sprawling plot of 19,286 m<sup>2</sup>, this cave house provides a naturally cool environment in the summer and warmth in the winter, making it an incredibly energy-efficient way to live. The property is fully registered and includes: Living Space: The cave dwelling features 2 bedrooms and 1 bathroom, providing a cozy and unique layout. The Plot: Over 1.9 hectares of land in an elevated position ("Loma Rasa"), ensuring total privacy and stunning views of the surrounding countryside and mountains. Utilities: The house is equipped with a traditional Aljibe (water deposit) for water supply. For electricity, a basic installation is ready for a generator, making it an ideal setup for those in...
