Located on the second line of Valpura Beach, just 70 metres from the sea, this property has a surface area of 756 square metres and offers great versatility for different commercial or recreational uses. Its location, very close to the beach and in a high-traffic area, makes it a property of great interest to investors or entrepreneurs looking for a space with multiple possibilities.~~Previously, the property had a smoke vent and has been used as a shelter, restaurant, tavern and bar, demonstrating its suitability for hospitality activities or catering-related services. Thanks to these characteristics, the property lends itself to different projects, from restaurants to leisure spaces, offices or businesses that require ample space and good ventilation.~~The property has double access, facing Cumercindo Street at ...
