South-facing detached villa built in 2020 on a 689 m<sup>2</sup> plot. This highly practical and comfortable property features a 162 m<sup>2</sup> two-story layout with 3 bedrooms (including 2 on the ground floor) and 3 bathrooms. It offers a spacious living-dining area with an open-plan kitchen, a beautiful private pool, multiple terraces, parking space for several cars, and a large solarium with views of the natural lagoon and the sea. The villa is sold fully furnished and equipped with air conditioning.
