This apartment offers a seaside living experience. Its proximity to the beach allows you to enjoy spontaneous strolls along the shore, moments of tranquility gazing at the horizon, or relaxing afternoons in the sun. Having the Mediterranean just a few minutes' walk away transforms your daily life and turns every day into an opportunity to enjoy the surroundings.~~One of the most special features of the property is its terrace. In climates like that of the Costa Blanca, where mild temperatures prevail for much of the year, having an outdoor space becomes a true privilege. The terrace allows you to enjoy the fresh air, share moments of relaxation, or simply contemplate the Mediterranean atmosphere that characterizes the area.~~The apartment has three bedrooms, which provides great versatility. This type of layout al...
