Situated in a peaceful urbanization in Salinas, we are pleased to present this 931m<sup>2</sup> urban building plot. This property offers the perfect combination of a relaxed countryside atmosphere and the security of a fully consolidated urban zone. All essential services – including mains electricity, mains water, and town sewage connections – are already in place at the boundary. This plot offers two fantastic options to suit your personal requirements: Option 1 – Plot Only (€60,000): Purchase the 931m<sup>2</sup> plot without a project, giving you the complete freedom to design and build your bespoke dream villa from scratch. Option 2 – Turnkey Container Project (€150,000): Choose a cutting-edge and innovative modern container home concept. The major advantage here is that the building licenses are ...
