Exclusive newly built beachfront semi-detached villa, designed for those who settle for nothing less than perfection. Ground Floor Spacious open-plan living and dining area with a contemporary kitchen, designed to maximise the stunning sea views. Front porch facing the Mediterranean, the perfect setting for long summer lunches and relaxing evenings. This floor also features a guest bedroom and a fully equipped bathroom. First Floor Two spacious en-suite bedrooms, each with its own private designer bathroom. Spectacular panoramic sea-view terrace with pre-installation for a jacuzzi, creating the perfect space to unwind while enjoying breathtaking sunsets. Technical Roof Level Accessible via an internal staircase, this practical rooftop level has been strategically designed for the property's technical installations and...
