A very stylish and modern townhouse that was completely renovated in 2024. A new kitchen, new bathrooms, and new windows and doors are just some of the improvements that have been made. There is a tiled patio at the front of the home, where you can also park a car if desired. Today, this area is used as a lovely terrace. In addition, there is a terrace at the rear of the home, adjacent to the kitchen, where the washing machine and water heater are located. There is also a completely secluded sun terrace on the upper floor. There is also a small balcony in front of the bedrooms. The property itself is located in a peaceful residential area, within walking distance of the Mar Menor and the beach. Shops and restaurants are just a short distance away. The home features a living room, a kitchen with all appliances, a be...
