A new construction project in three phases, starting with Phase 11 on the south side. This phase consists of six very spacious and modern villas. The project is located in the charming Dolores neighborhood. On the ground floor, we find a spacious living room, a beautiful kitchen with a cooking island, a lovely, spacious TV corner, and a guest toilet. The house features three double bedrooms as standard: one on the ground floor with an en-suite bathroom and two on the first floor, which also includes a family bathroom and a laundry room. The total built area is approximately 165 square meters, with a plot size of approximately 260 square meters, offering ample space for comfortable living. The villa also has a basement (technical cellar) which is delivered unfinished but can be f...
