Apartment for sale in Cabo Roig, one of the most sought-after areas of Orihuela Costa, located just a one-minute walk from its beautiful coves. An ideal location for enjoying the sea and nearby amenities without having to use a car. The property has a cosy terrace with partial sea views. Although it does not offer panoramic views, it provides a pleasant outdoor space for breakfast, a drink or relaxing at the end of the day. The residential complex features a communal swimming pool overlooking the Mediterranean and a communal rooftop solarium where you can enjoy lunch or dinner, or simply relax while taking in the scenery and the sea breeze. The coves of Cabo Roig are just a few steps away and are known for their clear waters, where fish can often be spotted—something younger family membe...
