This fantastic extended villa for sale in Quesada, which has to be in the prime location on the community directly opposite the communal pool. This original two Bedroom Quad Villa with solarium has been totally transformed by the current owner to provide extensive additional space in the underbuild - all of which are on the deeds. The owner uses this space to provide an additional lounge, kitchen, bathroom and two bedrooms. The upper and lower living spaces are connected via an internal staircase giving ample living space over two floors. At present this staircase is blocked off and with private entrances for each floor allows for two individual apartments - ideal for family guests or that elusive teenager. The villa sits on a large 180m² plot which is currently laid for low maintenance plantation and tiled terra...
