This Villa has the wow factor . This luxury villa really has the WOW factor. The main gate is automatic and leads into a large tree lined driveway. In the garden grounds to the front of the property is a large outside entertaining area with purpose built bar, dining area, games area and a pool changing room with shower and toilet. In the centre of the paved terracing is a large pool measuring 12m x 6m. The sweeping driveway which leads up to the impressive property has a circular roundabout to create a turning space. Marble stairs lead up to a terrace which overlooks the pool area. The door from the terrace leads into the kitchen which has a hand crafted units with black granite worktops and integrated Bosch appliances and a separate dining area. The large lounge has 2 sets of pation doors, one set leads to the te...
