A short drive through the mountain pass from Algezares to the hamlet of Los Puros, This bespoke designed detached home is located on the edge of a national park, has the potential to be a large family home or the option to have holiday accommodation. Located in the small community of Los Puros the home has an impressive 10000 square meters of cultivated garden, full of fruit trees. Entering the property through an electric gate with a driveway leading to the large garage with 20000 litre water tank below and separate access to the roof terrace. A covered and glazed porch wraps around 2 sides of the house, one to the front the other overlooking the swimming pool. Entering the main house by a light and airy hallway with a large lounge leading off to the left and to the right a fully furnished kitchen, leading to...
